Strategic Priority Action Agenda 2016-2017

For the 2016-2017 terms, the College’s agenda is as follows:

1. Build our profile and strengthen our relationships with members, industry and partners.
2. Launch our flagship journal, *Infection Disease & Health*.
3. Grow the business and invest in our financial sustainability.
4. Launch our new inclusive ACIPC Credentialling Framework together with the ACIPC Practice Standards.
5. Expand ACIPC education initiatives, including short courses and accreditation of external courses.
7. Enhance our annual ACIPC International Conference.
