20 May 2020

Dear IES Members and Members of IES Professional Registries

50% WAIVER OF MEMBERSHIP ANNUAL SUBSCRIPTION FEE AND WAIVER OF CONTINUING PROFESSIONAL DEVELOPMENT POINTS (STU/PDU) FOR YEAR 2020/2021

I hope everyone is keeping safe and healthy.

Due to measures to reduce local transmission of COVID-19, many engineering conferences, seminars and courses have been cancelled or deferred during this period. The Institution of Engineers, Singapore (IES) understands that this has made it difficult for IES Members and also for Professionals on IES Registries to attend courses and training sessions as part of your continuous professional development.

IES Council would like to do our part, in small ways, to help our members tide over this difficult situation. We are pleased to announce the following changes:

IES Membership Annual Subscription

Renewal Type	Current	What has changed?
Annual Subscription fee for 2020/2021	Pay in full for 12 months	50% Waiver of Annual subscription fee. Payment of the remaining 50% can be done from now till Sept 2020.

We hope that the above adjustments will help in alleviating your burden during this period. Meanwhile, we encourage you to take this opportunity to work on your continuing professional development. Please take the time to do some self-studies or attend online courses to enhance your long-term career progression.

The Institution of Engineers Singapore Academy (IESA) and IES Technical Committees (TC) have rolled out a series of online courses for our members. Please keep a lookout for these courses on IES portal, <https://www.ies.org.sg/Events-and-Courses/Events-and-Courses-Listing>

If you have any queries, please feel free to contact us via email ies@iesnet.org.sg. Together, we can overcome the current challenges and emerge stronger to build a better future for Singapore. #SGUnited. Thank you.

Yours sincerely
